

Insects

Description

Flies

Some herbs & flowers repel flies, and can also be used in a spray bottle:

ginger

[basil](#)

marigold

[lavender](#)

[bay leaves](#)

[catnip](#)

eucalyptus,

peppermint,

lemongrass

Cayenne pepper

Traps

Traps can be baited by vinegar, honey, wine, fruit, meat

Funnels can be made with paper that are large enough to go down through but too small to come back up. Walk outside, let them go!

Plastic bag over top, poke holes, honey on holes edge, hard to get out
