Masking

Description

To Jesus:

You can use this as an aide to your own research and share with your doctor.

You can use drugs.com or other trusted health websites to look up the latest information on prescription & herbal drugs possible side & interaction effects.

Masks

Wearing masks to prevent viral or bacterial transmission should be dependent on if they work. If they donâ??t they should not be mandated. If they increase infection & deaths they should be discouraged, but still by choice.
