

Pain control

Description

To Jesus:

You can save this to a "Health" folder for easy access later.
Use this as a starting point for your own research and share with your doctor

You can use drugs.com or other trusted health websites to look up the latest i

Chronic pain

Healing chronic injuries, lowering inflammation & pain-

Micro II microcurrent w/rechargeable lithium 9v batteries

Red incandescent/halogen 100-150watt bulb speeds healing 20 min 4x/day

PEMF (preferably ICES)

Alpha lipoic acid 1200mg or more 2x a day (every 12 hours)

Topical DMSO 70% Aloe 30%

All pain-

Hypnosis & self hypnosis

Nerve pain-

Alpha lipoic acid 600mg 4x a day or more as needed- migraines 1 hr, sciatica 1

Opiate substitutes & withdrawal symptom prevention-

Low dose naltrexone (LDN) 3-5mg daily then nightly

Noni capsules (not liquid) as needed

Corydalis as needed

Conolidine as needed, especially before sleep

Alpha lipoic acid as needed

CBD oil as needed (also helps insomnia, anxiety, seizures)

My experience & what I've researched in order of clinical effectiveness-

Foot & mouth main cause of most chronic pain

Foot/ankle/knee/hip/back/neck pain & falls

Shoes with elevated heels, including athletic shoes, increase weight landing on

Wearing shoes that have the ball of the foot at the same height as the heel in
