

Traffic

Description

Traffic

In one study, signs stating traffic deaths increased traffic crashes & fatalities on complex highways & when totals were high, decreased crashes on simpler highways & when totals were lower.

University of Minnesota. "Highway death toll messages cause more crashes." ScienceDaily. ScienceDaily, 21 April 2022. <www.sciencedaily.com/releases/2022/04/220421141535.htm>.
